bouchtaoui.youssef@alimun.com | +393791059492 | Monza (IT) | youssef-bouchtaoui/

PROFILO PROFESSIONALE

Business Development & Operations Manager with international track record in education, hospitality, construction and public healthcare. Scaled organizations up to 20 FTE with strong revenue growth, cut supply costs by 20% and lifted customer/user satisfaction up to +85% through lean operations and digital channels. Positioned for operational leadership and business development roles in complex, high-growth, multilingual environments.

ESPERIENZE LAVORATIVE

Founder

Alimun.com, Sydney, AU

Nov 2024 – Presente

- Launched a phygital language training platform for low-income segments, delivering courses to 976 students. Designed lean operating model and built infrastructure on a no-code, AI and serverless stack, maximizing output while tightly containing fixed and variable costs.

Operations Manager

Brisbane Resort, Brisbane, AU

Mag 2018 – Mar 2020

- Advanced from service role to operational lead, overseeing resort and work-for-accommodation operations end-to-end. Reduced supply costs by 20% and increased guest satisfaction by 85% and loyalty by 30% by redesigning quality standards and collaboration frameworks.

Operations Manager

Abdul Edilizia, Milano, IT

Apr 2018 – Mar 2026

- Directed operational growth of a construction business from launch to established operation, including in fully remote mode. Scaled headcount to 20 people with strong revenue expansion, structuring digital lead generation via corporate website and continuous online presence.

Healthcare Supervisor

Whakarongorau Aotearoa, Remote, NZ

Ott 2021 – Giu 2022

- Supervised clinical teams delivering 24/7 telemedicine services for the New Zealand Ministry of Health during COVID-19. Coordinated operational and clinical workflows, improving national response times and consistency of care in a high-pressure, crisis environment.

FORMAZIONE

Diploma in International Law, Finance and Marketing

IIS Martin Luther King

– Presente
